Call for Visiting Researchers

JEAN-BAPTISTE SAY INSTITUTE FOR ENTREPRENEURSHIP

Why visit ESCP Europe in Berlin:

- Strong and welcoming research community
- Many international research cooperations
- Fast growing institute for entrepreneurship
- Entrepreneurial ecosystem in Berlin
- Experience Germany's vibrant capital

Everyone at the Jean-Baptiste Say Institute, from doctoral student to full professor, co-creates on eye-level.

Our ambition is to be the European reference for entrepreneurship research. You are cordially invited to join us on this journey!

Professor Dr. René Mauer
Research Director
Jean-Baptiste Say Institute
ESCP Europe

You are invited...

We look for excellent junior researchers of entrepreneurship for a research stay in Berlin.

Your profile:

- 3rd – 4th year PhD Student or Postdoc
- First-class university degree in management, psychology, or related fields
- Research focus within entrepreneurship

What we offer:

- An engaged and open research community
- Invitation to research seminars and events
- Shared workspace at the Berlin campus
- Use of campus infrastructure
- Waiver of 2.000 € tuition fees
- Support to find a stipend to cover costs

Your application should include:

- CV with publication list
- Letter of recommendation of your supervisor
- Research proposal connecting to our publications

We look forward to welcoming you in Berlin!
