Bold & United 2026-2030
The Bachelor in Management, Science & Technology (BSc) is part of the **ESCP School of Technology,** a new strategic pillar designed to shape the future of management education in Europe.

Study track

2027

Y1 → **PARIS**

SEP / AUG

Paris is Europe's largest business hub and a thriving startup ecosystem. ESCP's most extensive urban campus puts students at the crossroads of consulting, finance, and digital innovation from day one.

Y2 → **TURIN**

SEP / AUG

Italy's capital of innovation, **Turin blends industrial heritage with a fast-growing tech and data scene.** The campus — newly inaugurated in 2024 — has deep ties with leading companies across automotive, aerospace, and consulting.

Y3 → **LONDON**

SEP / AUG

One of the world's top cities for finance, tech, and entrepreneurship. ESCP's West Hampstead campus offers the perfect base to build a strong network and launch an international career.

2030

One degree. multiple pathways.

Through an integrated and international approach, the programme prepares students to navigate both technological and managerial environments without having to specialise too early. Graduate students can:

PURSUE A MASTER OF SCIENCE (MSc)
in management, finance, engineering or technology at ESCP or partner institutions worldwide.

EXPLORE MULTIPLE CAREER PATHS
across business, technology and innovation-driven sectors such as, Product Manager, Innovation Analyst, Tech Consultant, Business Analyst.

ENTER FAST-GROWING INDUSTRIES
in Tech-driven environments, such as Digital, Finance, Health, and beyond.

ESCP benefits from the best **international accreditations.**
AACSB ACCREDITED | EQUIS ACCREDITED | EFMD ACCREDITED MBA | EFMD ACCREDITED EMBA | **5 European Higher Ed accreditations**
Each of our European and international campuses benefits from **national recognition** in higher education.
