DESIGNING TOMORROW

At ESCP Europe we value diversity and want to encourage real exchanges from individuals from different backgrounds. We stand for Excellence in what we do, Singularity in who we are, Creativity in how we think and Plurality in how we believe and behave.

Who is eligible

The scholarship is open to all self-funding applicants to the **September 2019** and **January 2020 intakes** of the Executive MBA programme who are citizens of an emerging market country and are currently employed by a company whose headquarters are located in their home country. Only single nationality candidates will be considered. Candidates will only be considered for the award if they have successfully applied for and been admitted to the programme before the scholarship deadline.

Amount of the award

The scholarship amounts to 5% to 20% (maximum) of the fees. It may not replace the down payment required to secure a place in the programme.

The full amount of the award will be deducted from the balance of the tuition fees for the programme.

Criteria for awarding the scholarship

The scholarship will be awarded on the basis of future professional and leadership potential, as demonstrated by the quality of an essay and a recommendation submitted in support of the scholarship application, as well as a 30-min face to face motivation interview. We will also be looking for candidates who can demonstrate a proven track record of success (educational and professional) through their Executive MBA programme application and performance at interview. The Scholarship Committee will review all elements of the application to assess potential contribution to the ongoing success of the Executive MBA and commitment to ESCP Europe Business School through ambassadorial work.

How to apply

You must submit the following documents:

- Completed scholarship application form
- A recommendation from one of your managers assessing your potential to contribute to the ongoing development of your country within your company.
- A short essay in answer to the following question: ***As a national of an emerging market country, please outline how you plan to contribute to the ongoing development of your country within your company.***

Incomplete forms will not be considered. Applications may not be modified once they have been submitted.

Judging panel

The judging panel is made up of members of the Admissions Committee and includes representatives from the ESCP Europe Faculty, the Executive MBA Programme Director, the Executive MBA Dean and Executive MBA Alumni. Successful candidates will be notified individually by December 10th, 2019 whether successful or not.
