

INTERNATIONAL SUMMER SCHOOL for High School Students

Are you ready to dive into the world of business management while gaining invaluable skills? Do you want to learn the fundamentals of business management while discovering a new city? If so, ESCP Business School invites you to an enriching educational experience at our International Summer School in Turin!

→ Overview

ESCP's International Summer School is a **one or two-week programme** for high school students to boost university and career readiness.

It covers essential business topics, alongside soft skills as public speaking and interpersonal skills at work.

Students gain **hands-on experience** through case studies and real-world problem solving.

Beyond academics, they immerse themselves in **Italian culture**, make international friends, and experience life as ESCP students, creating an enriching and memorable summer.

→ Objectives

- **Learn** by exploring business frameworks.
- **Analyse** case studies, work in teams, and engage in immersive learning experiences for deeper insights.
- **Acquire** practical business knowledge that will build valuable skills for your future.
- **Explore** the dynamic city of Turin, creating lasting memories with new friends along the way.

➔ ESCP Business School

ESCP Business School was founded in 1819. The School promotes responsible leadership, based on European multiculturalism and open to the world. Six campuses in Berlin, London, Madrid, Paris, Turin and Warsaw are the stepping stones that allow students to experience this European approach to management. Its strength lies in its many business training programmes, both general and specialised (Bachelor, Master, MBA, Executive MBA, PhD and Executive Education), all of which include a multi-campus experience.
