

ESCP Business School, Berlin Campus is a German state-recognized academic institution and one of the leading Business Schools in Europe. For our newly founded **STAR Center** we are looking to start preferably **01. June 2023** for:

Project Manager / Developer / Intrapreneur (all genders)

- initially limited for one year -

The **ESCP STAR Center** (Sustainability Transformation Applied Research) is a think-and-do platform, responding to the growing need to help individuals and organisations in developing the skills and mindsets needed to actively drive the sustainability transformation of economy and society. Its mission is to accelerate sustainability transformation by building an environment in which practitioners, researchers and students exchange knowledge, best practices, co-create learning journeys, and implement ecologically sustainable and socially beneficial business models.

We are searching for an engaged and pro-active personality with a co-founder mindset who is eager to spearhead this European flagship sustainability initiative at ESCP.

Key Responsibilities

- **Business Development** - Building and maintaining relationships with key stakeholders, including internal (e.g., research staff, students, and professors) and external (e.g., customers, partners, and investors).
- **Fundraising** - Develop and implement fundraising plans and strategies to secure funding for sustainability projects and initiatives in Germany and Europe.
- **Friendraising** - Represent the STAR Center at events, conferences, and meetings to build a strong, diverse, and international STAR community.
- **Project Management** - Oversee sustainability projects, including developing project plans, timelines, and budgets, identifying and managing resources, and ensuring projects are completed on time and within budget.
- **Event Management** - Plan and conduct workshops and networking events.
- **Communications** - Increase public awareness for the STAR brand through social media contents, press releases, and other communication formats and channels.

Qualifications

- You are a purpose driven and entrepreneurial human who feels inspired to transform business towards a sustainable future
- Your work experience in business development and project management as well as your ability to self-organize will help you to establish STAR in the international landscape
- With strong intrapersonal skills and the ability to build relationships you will engage with supporters and partners in the ESCP community as well as the wider business ecosystem
- You are proficient in Microsoft Office Suite and social media communication.
- Fluent in German and English

It is required that these five qualifications are highlighted and illustrated in your application – please provide examples.

This is what you can look forward to with us

- In this entrepreneurial role you will have the opportunity to be creative, take ownership, and be hands on in order to achieve a sustainable impact
- You will work closely with both our Chairholder for Corporate Sustainability and our Director Business Solutions and will benefit from a diverse international work environment at a leading European Business School.
- You will work at an attractive, historic location in Berlin with the possibility of park walks or jogging during lunch break.
- You will gain appreciation, recognition, and strong team cohesion.

We are looking forward to receiving your application (CV and a cover letter) by e-mail to Alina Iakovleva aiakovleva@escp.eu by **15.05.2023**. Please indicate in your application your salary expectations and the earliest possible starting date.
