

ESCP Business School, Berlin Campus is a German state-recognized academic institution and one of the leading Business Schools in Europe. To **start latest on September 1, 2023**, we are looking for a

Lecturer (Teacher for special tasks – all genders) – Information & Operations Management

(permanent tenured contract / corresponds to full-time / part-time / oriented towards TV-L E13)

Duties and responsibilities

As a faculty member at ESCP's Berlin campus, you will work closely with course coordinators and other faculty members to provide exceptional teaching. You will be responsible for developing teaching materials, methods, and assessments. Your duties will include marking assignments and providing feedback to students.

We are looking for candidates who are capable of teaching courses such as:

- Operations Management
- Supply Chain Management
- Information Systems
- Data Science, Big Data Analytics, Artificial Intelligence, Machine Learning
- Managerial Decision Making and Modeling, Blockchain Technology, and Cybersecurity, and/or
- Circular Economy/Sustainability

Teaching at ESCP is organized such that candidates for this position are expected to teach a maximum of 14 SWS (315 hours/academic year) on a full-time basis, with part-time arrangements also possible. Additionally, you will be responsible for supervising eight bachelor's and master's theses per academic year. If you take on additional supervision responsibilities, your teaching hours may be reduced accordingly.

While research output is not mandatory, it is highly encouraged and financially rewarded.

Candidate requirements

- We are seeking applicants who have completed their PhD and have a keen interest in conducting research in their area.
- The candidate should be highly motivated and willing to teach at both undergraduate and postgraduate levels, utilizing interactive teaching methods. The candidate should be capable of designing theory-driven course content that incorporates practical examples. We welcome candidates who have experience and a passion for technology-enhanced learning practices, as they will be responsible for independently designing online teaching materials as well.
- Candidates must be fluent in English.
- We are looking for a candidate who is highly motivated, knowledgeable, and enthusiastic about teaching and research in their specific field of study, and who will work diligently to ensure that students receive a high-quality education.

How to apply

Applications should be sent (in one PDF document) to Barbara Lutz including cover letter, CV, information about the teaching record and a list of publications. **The latest starting date** of the position is **September 1, 2023**. The deadline for applications is **May 15, 2023**.

Address to: Barbara Lutz, ESCP Business School Berlin, Heubnerweg 8-10, 14059 Berlin; E-Mail: blutz@escp.eu
