

At the Chair of International Economics (Prof. Dr. Gonçalo Pina) of the **ESCP Business School, Campus Berlin**, a position is to be filled **as soon as possible** for the role of:

Research Assistant (m/f/d)

50% of the regular weekly working hours

Responsibilities

- Research: You will work closely with Prof. Dr. Gonçalo Pina on one of three topics upon mutual agreement: behavioral economics using sports data, international finance, and macroeconomics. The research is expected to be published in leading journals.
- Service to the chair/school: You will participate in activities aimed at raising the profile of the chair and ESCP Business School.

Requirements

- Completed or are about to complete a master's degree in economics, finance, management, or data science with outstanding performance.
- Some experience in statistical programming (for example, MATLAB, Python, R, or Stata).
- Interest in research and academic work.
- Very good English language skills.
- A strong sense of responsibility and commitment.

Benefits

- You will be admitted to the Berlin PhD program at ESCP Business School.
- Work location (home office or office on campus) and working hours can be flexible by arrangement.
- You will be part of a large international research community that includes 6 European campuses with many professors and other PhD students. Inter-campus mobility is possible.

Please send your complete application (CV, certificates, motivation letter) at any time (by e-mail **with one** complete PDF) to

Prof. Dr. Gonçalo Pina
