

At the Chair of Supply Chain & Operations Management (Prof. Dr. Christian F. Durach) at ESCP Business School, Campus Berlin one position is available to be filled from **September / October 2025**:

## Student Assistant (m/f/d)

10 hours per week

The Chair of Supply Chain and Operations Management at ESCP is dedicated to research, teaching, and preparing students to manage complex operational processes across manufacturing and service companies. Our research focuses on risk and complexity management, intercultural supplier relationships, sustainability, social and ethical challenges, and the broader impact of emerging digital technologies.

We are looking for a self-motivated, highly active and productive student, who is eager to gain first experience in research at one of the leading European business schools as well as supporting the chair in various topics.

### Tasks:

- Assistance in research and teaching
- Support in quantitative research projects
- Research in online databases (e.g. Bloomberg, Thomson Reuters, WRDS)
- Support in the application process for large industry projects
- Data gathering and preparation for empirical analyses

### Requirements:

- Students (Bachelor or Master) interested in the field of SCM
- Proficient in MS Office, particularly Word, Excel, and PowerPoint
- Experience in internet research
- Excellent verbal and written skills in English (German skills are desired but not required)
- Reliability, self-initiative, sense of responsibility, commitment, and attention to detail

### Interested in joining?

Please send your application (including a CV, transcripts and possible start date) via our application button to:
