

At the **Chair of Managerial Economics** (Prof. Dr. Kai Barron) at ESCP Business School, Campus Berlin, a position is to be filled starting **September 1, 2026**.

## Research Assistant (all genders) – PhD Programme

75% of the regular weekly working hours | initially limited for 3 years

### Responsibilities:

- Research: You will work closely with Prof. Dr. Kai Barron on research related to behavioral economics (e.g., beliefs, narratives, mental models, inequality, gender gaps). The research is expected to be published in leading journals.
- Service to the chair/school: You will participate in activities aimed at raising the profile of the chair and ESCP Business School.

### Requirements

- Completed or are about to complete a master's degree in economics, finance, management, or data science with outstanding performance.
- Some experience in statistical programming (for example, MATLAB, Python, R, or Stata).
- Interest in research and academic work, especially experimental or behavioral economics.
- Very good English language skills.
- A strong sense of responsibility and commitment.

### Benefits

- You will be admitted to the Berlin PhD Program at ESCP Business School if hired on the PhD track.
- You will be part of a large international research community that includes six European ESCP campuses with many professors and other PhD students. Inter-campus mobility is possible.
- There is a large and active behavioral economics network in Berlin.

Please send your complete application (CV, grade certificates, motivating cover letter, reference letters are a plus) via our application form (**in one** complete PDF) to:
