

The Entrepreneurship Department at ESCP Berlin (represented by Prof. Dr. René Mauer, Prof. Dr. Matthias Mrożewski and Prof. Dr. Christoph Seckler) is offering the following positions **starting on 1. June 2026 or later**:

## Research Assistants (all genders) - PhD Programme (50% of regular working hours)

Our **Research Assistant positions (50%)** are designed for candidates who wish to pursue a doctoral degree while actively contributing to the Department's academic and entrepreneurial activities. The PhD is embedded in ESCP's [structured doctoral programme](#) and supervised within the Entrepreneurship Department.

### We are looking for support in the following activity areas:

- Entrepreneurship Department ([Berlin Chairs](#)): Teaching-related activities, course coordination, student support, and administrative tasks related to the Chairs' academic activities.
- Community ([Say Institute](#) / [INSPIRE](#)): Supporting internal and external communication and outreach, research dissemination, events, etc. to enhance visibility of ESCP's vibrant entrepreneurship community.
- Blue Factory ([ESCP's startup incubator](#)): Supporting incubation and acceleration programmes, working with startups, organizing entrepreneurial events, and developing ESCP's entrepreneurial ecosystem.

### Your benefits:

- You will work in a dedicated team on the Berlin campus with strong ties to European colleagues.
- You will be admitted to the Berlin PhD Programme at ESCP Business School (fees will be waived).
- You will become part of a vibrant community of junior entrepreneurship scholars, including more than 10 PhD candidates and two postdoctoral researchers.
- You will experience our unique supervision process (shaped by our professors René Mauer, Matthias Mrożewski and Christoph Seckler) with the goal of bringing out the best in everyone.
- You will be part of a large international research community including our European Research Center ([INSPIRE](#)) and ESCP's Innovation and Entrepreneurial Transformation Institute ([Say Institute](#)).
- You will engage with scholars, practitioners, and entrepreneurial actors in Berlin and beyond.

### Your profile:

- A strong interest in entrepreneurship research
- An entrepreneurial mindset, initiative, and collaborative spirit
- A very good Master's degree in business, social sciences, or a related field
- Excellent English skills (German skills are definitely a plus)
