

Assistant/ Associate Professor of Strategy ESCP Business School Turin Campus

ESCP Business School, the World's First Business School (est. 1819) invites applications for an open position in Strategy at Assistant/ Associate level.

The open position is based at the Turin Campus, Italy with a starting date of September 2022 or later. The appointee will be seconded to the Department of Management.

ESCP Business School is a pan-European business school with campuses in Berlin, London, Madrid, Paris, Turin, and Warsaw, providing 29 master degrees, a bachelor and a PhD programme, as well as a wide range of executive education courses. Ranked No. 6 worldwide by the Financial Times and No. 4 by the Economist, the ESCP Master in Management is among one of the leading degrees in its field.

We are looking for motivated, high-potential and dynamic candidates with a strong research track record. The candidate's research has been (or has the potential to be) published in international top-tier peer-reviewed scientific journals. The candidate shows a proven ability to deliver quality teaching, also using digital teaching methods, at both the graduate and undergraduate levels, with a strong interest in developing his/her executive education skills. The position requires a balance among research, teaching, curriculum development, and community development.

For further information please contact:

Prof. Dr. Francesco Rattalino
Professor of Management at ESCP Business School and Dean of the ESCP Turin Campus.
E-Mail: jobsturin@escp.eu

Requirements

A willingness to work with colleagues from the ESCP campuses in Berlin, London, Madrid, Paris, and Warsaw is highly appreciated. Candidates should also demonstrate skills in developing and expanding relationships with companies and professional organisations and extend the reputation of ESCP Business School and its programmes locally and internationally.

Candidates should have the following characteristics:

- A Ph.D. in a related field, and preferably some post-doc experience. Even if an outstanding doctoral dissertation is required for the application, we will also consider candidates who are in the final stage of their doctoral thesis;
- Evidence of (or clear potential to achieve) excellence in research (publications in leading journals, and/or highly innovative research);
- A passion for research and a genuine interest in working with diverse stakeholders;
- Experience and interest in teaching diverse student cohorts, mainly in English, applying new teaching methods and formats;
- Fluency in oral and written English;
- Expertise in innovation-related topics is highly appreciated.

Applications details

Applications should include:

- 1) a cover letter;
- 2) a curriculum vitae, including diplomas and transcripts of records;
- 3) a list of publications;
- 4) a statement of teaching and research interests;
- 5) teaching evaluations of the past two years (if applicable);
- 6) a list of references (up to 5 referees).

Please lodge your application **by 30th September 2021** by filling the online application form available [here](#).

Job interviews are estimated to take place starting from November 2021.
